387 Schedule of Cabinet Key Decisions

The Head of Policy and Performance introduced the Schedule, which contained details of Key Decisions to be taken by the Cabinet. It was proposed that as part of the consultation process that the draft Corporate Plan be brought to the Overview and

Scrutiny Committee in June. At the present time, there were no items for the May meeting of the Committee, and it was suggested that this be cancelled.

The Committee felt strongly that an item on the implementation of the new waste collection service should be brought before the Committee. A Member gave a detailed description of missing waste collection in their Ward and questioned whether the communications strategy should have been stronger. The Chair commented that there had been a large volume of negative comments on a recent Facebook post regarding the service and that suggested that the service rollout had not been as smooth as had been suggested.

The Head of Policy and Performance advised that discussions would take place with Officers on when this item would be brought before the Committee, noting the Committee's desire to consider the item by June 2024 at the latest.

Resolved:

- (i) That the report be received and noted.**
- (ii) A report on the rollout of the new Waste Collection Service be brought to the Committee by June 2024.**

388 Exclusion of the Public

Resolved:

That pursuant to Section 100A(4) of the Local Government Act 1972 as amended the public be excluded from the meeting during consideration of the following item, as it is likely in view of the nature of the business to be transacted or the nature of the proceedings that if members of the public were present there would be disclosure of exempt information hereinafter specified by reference to paragraph 3 of Part 1 of Schedule 12A of the Act.
