

Ashford Health & Wellbeing Board (AHWB)

CCG Partner Quarterly Update

Update from	CCG
Quarter concerned	October to December 2014
What's going on in our world	<p>Implemented Local Referral Unit giving alternative pathways to A&E attendances and admissions</p> <p>Currently operationalising the LRU</p> <p>7 Day working in Ashford Rural Network offering in excess of 200 additional appointments per month as alternative to A&E attendances and to assist with long term needs patients care. Avoided over 130 admissions through this scheme alone in December</p> <p>Currently preparing bid to PM Challenge Fund for extended 7 day working</p> <p>NHS England published "Achieving Better Access to Mental Health Services by 2020" setting out waiting times standards for mental health services</p>
Success stories since last AHWB	<p>On trajectory for IAPT national recovery rate</p> <p>Winter surge funding has reduced attendances and admissions through A&E</p> <p>Increased care plans, through IT system, available to all health providers</p> <p>Dementia diagnosis rate increased to over 50% but currently behind planned trajectory</p> <p>Curing national pressures through A&E, locally we have no 12-hour target breaches, only area in Kent to achieve this standard.</p>
What we are focusing on for the next quarter <u>specific to the key projects</u>	<p>Continued development of community network over winter period to test model assumptions</p> <p>Implementing revised specification for Westview to support creating of capacity for GP beds and non-weight bearing patients</p> <p>National Planning Guidance for 2015/16 was published on 22nd December</p>
Anything else relevant to AHWB priorities NOT mentioned above	

Strategic challenges & risks including horizon scanning?	Ensuring that implementation of community networks is balanced with current demands of capacity
Any thing else the Board needs to know
