

Ashford Health & Wellbeing Board (AHWB)

Partner Quarterly Update for the Clinical Commissioning Group – Quarter 4: January to March 2015

<p>What's going on in our world</p>	<p>Local Referral Unit now operational giving alternative pathways to A&E attendances and admissions</p> <p>7 Day working in Ashford Rural Network has continued to offer in excess of 200 additional appointments per month as alternative to A&E attendances.</p> <p>During winter months we have also offered similar service across Ashford town as part of national approach to reducing winter pressures of hospital A&E depts.</p> <p>Currently awaiting outcome of PM Challenge Fund bid for extended 7 day working</p> <p>Refresh of Annual Operating Plan for 2015-16 being written.</p>
<p>Success stories since last AHWB</p>	<p>Achieving IAPT national recovery rate</p> <p>Winter surge funding has reduced attendances and admissions through A&E</p> <p>Increased care plans, through IT system, available to all health providers</p> <p>Dementia diagnosis rate increased to over 50% but currently behind planned trajectory</p> <p>Whilst underachieving against national target for A&E waiting times, remained the only health economy in Kent to achieve zero-breach of 12-hour target</p>
<p>What we are focusing on for the next quarter <u>specific to the key projects</u></p>	<p>Continued development of community network over winter period to test model assumptions</p> <p>Implementing revised specification for Westview to support creating of capacity for GP beds and non-weight bearing patients</p>
<p>Anything else relevant to AHWB priorities NOT mentioned above</p>	
<p>Strategic challenges & risks including horizon scanning?</p>	<p>Ensuring that implementation of community networks is balanced with current demands of capacity</p>
<p>Any thing else the Board needs to know</p>
