

Ashford Health & Wellbeing Board (AHWB)

Partner Quarterly Update for the Clinical Commissioning Group – Quarter 1: April to June 2015

What's going on in our world	<p>Annual Operating Plan submitted to NHS England as per deadline, outlining priority project for 2015/16</p> <p>Annual Report published</p> <p>Action Plans in place to address underperformance against national constitution measures</p> <p>Unsuccessful bid against PM Challenge Fund bid for extended 7 day working</p> <p>Community Networks meeting continue</p>
Success stories since last AHWB	<p>Achieving IAPT national recovery rate</p> <p>Increased care plans, through IT system, available to all health providers</p> <p>Dementia diagnosis rate maintained over 50% but still behind planned trajectory</p> <p>Over 75 identifying frailty scheme that our membership has agreed to, this links in to the CQIN pathway work that our Community and Acute providers have been working on. This will support a reduction in falls, by identifying frailty before crisis.</p>
What we are focusing on for the next quarter <u>specific to the key projects</u>	<p>Continued development of community network to test model assumptions</p> <p>Implementing revised specification for Westview to support creating of capacity for GP beds and non-weight bearing patients</p>
Anything else relevant to AHWB priorities NOT mentioned above	
Strategic challenges & risks including horizon scanning?	<p>Ensuring that implementation of community networks is balanced with current demands of capacity</p>
Any thing else the Board needs to know
