

Ashford Health & Wellbeing Board (AHWB)

Partner Quarterly Update for KCC Social Services – Quarter 4: January to March 2016

<p>What's going on in our world</p>	<p>The Growth, Environment and Transport change portfolio oversee's transformation and major programme activity. This includes:</p> <p>Strategic programmes and projects to deliver the core business of the directorate. These specific programmes and projects are likely to be technical and detailed in nature, or transform the day-to-day delivery of specific services, such as our LED street light programme, our new Waste Strategy and our Customer Service.</p> <p>Transformation programmes and projects include:</p> <ul style="list-style-type: none"> • Kent Scientific Services • Libraries, Registrations and Archives (LRA) • Transport service review • Kent Country Parks • Trading Standards and Community Safety • Highways Transportation and Waste service redesign • Libraries, Registration and Archives redesign
<p>Success stories since last AHWB</p>	<p>LD integration – collaborative working</p> <p>The first meeting of the new Integrated Commissioning Board for learning disability (LD) met in February, which brought together key people representing KCC, including Public Health and the seven Kent Clinical Commissioning Groups (CCGs).</p> <p>The purpose of the board is: "To deliver collaborative working between the partners to the S75 Agreement for integrated commissioning, for learning disability across Kent, in order to deliver the agreed outcomes of the annual joint commissioning plan for learning disability and the Transforming Care Programme."</p> <p>From April, there will be a single commissioning team for learning disability, managed by KCC, who will work on our behalf and the seven Kent CCGs</p>
<p>What we are focusing on for the next quarter <u>specific to the key projects</u></p>	<p>Community Mental Health and Wellbeing Service</p> <p>KCC along with the seven CCGs, have consulted widely with a range of stakeholders, including people living with mental health issues to co-produce a new Community Mental Health and Wellbeing Service.</p> <p>This new service will go live in April and replaces a range of historic grant funded services - providing person centred support that champions mental wellbeing within communities, builds resilience and supports people to stay well or recover from mental health problems.</p>
<p>Anything else relevant to AHWB priorities NOT</p>	

mentioned above	
Strategic challenges & risks including horizon scanning?	As above
