- 3.3 In response to a comment, Karen Cook said that she would be happy to assist in ensuring alignment of Ashford's priorities with the overall Kent Strategy.
- 3.4 The Board were advised that public consultation on the Strategy will now take place in October.

Resolved:

That the report be received and noted.

4 Update on Ashford Health and Wellbeing Board Priorities

(a) Reducing Smoking Prevalence Final Report 2016/17

- 4.1 Faiza Khan introduced this item. She advised that good progress had been made in relation to smoking prevalence in pregnant women, vaping and the being undertaken by the One You Shop on smoking cessation. The Smoking Action Plan was on track and one of the next steps was to work with the William Harvey Hospital (WHH) and other acute trusts in Kent to ensure that the hospital sites are Smokefree. Neil Fisher clarified that smoking was already banned on those sites but the ban was not enforced. Faiza Khan said that she supported the suggestion of establishing cessation advisors at the WHH and also said that any initiative should start with the staff who currently smoked on the site. The Chairman advised that the same staff should not undertake the enforcement and prevention/education aspects. Chris Morley referred to the economic impact of reducing smoking in terms of the workforce and suggested that this be raised with the Federation of Small Businesses and the Institute of Directors. The Chairman offered to raise the subject with the local Chamber of Commerce.
- 4.2 In response to a question about the accuracy of smoking statistics, Faiza Khan explained the background as to how they were produced.

- 4.3 Paul Kennedy emphasised the need to focus attention on preventing children from starting to smoke in the first place and the potential involvement by the Local Children's Partnership Group.

Resolved:

The Board agreed that:

- (i) the update and progress of the 2016/17 Action Plan be received and noted.**
- (ii) the recommendations as set out in the report be approved.**
- (iii) the Task and Finish Group deliver the recommendations in the report through an Action Plan for 2017/18.**

(b) Healthy Weight Prevalence Final Report 2016/17

- 4.3 Faiza Khan drew attention to the progress report and referred to the need to understand the barriers faced by people who were not making use of existing schemes to assist in reducing weight. She drew attention to the proposed Healthy Weight Actions for 2017/18 as set out on page 26 of the report and sought the Boards approval to them.
- 4.4 Navin Kumta supported the message of increasing physical activity to help maintain a healthy weight and said that it was important that this be conveyed to families. He said that if the various initiatives were promoted people could make their own decisions about exercise and healthy eating. Chris Morley considered that it would be a relatively straightforward exercise for the Borough Council to perhaps consider organising events on the various Multi Use Games Areas in the Borough for activities linked to this initiative. Geoff Lymer highlighted the links between excess weight and alcohol consumption.
- 4.5 Sharon Williams said that the Borough Council could help in terms of promoting the initiative via its links to tenants of Council housing stock.
- 4.6 Sheila Davison suggested that the Task and Finish Group be asked to further develop the proposed Action Plan and identify specific activities for the next year.

Resolved:

The Board agreed that:

- (i) the progress of the 2016/17 Action Plan be received and noted.**
- (ii) the Task and Finish Group be asked to review the Action Plan and bring back to the Board a yearlong programme of activities for approval.**
- (iii) the broad aims of the Action Plan for 2017/18 with activities to achieve the Kent Healthy Weight priorities as set out in the report be supported**

(c) Priorities 2018-23

- 4.7 The report set out proposed priorities for the Ashford Health and Wellbeing Board for the period 2018-23.
- 4.8 Sheila Davison drew attention to paragraph 9 which set out the proposed priorities and advised that this was based on the recently published Health Profile health data with a focus on the comparison with National and South East Region data. Paragraph 12 of the report identified lead organisations for each of the priorities. Sharon Williams suggested that homelessness could be linked to a more generic priority for health and housing as there were linkages between the Single Transformation Plan and Disabled Facilities Grants. This priority could also give attention to the falls indicator.
- 4.9 In response to a comment about whether the broader issues of GCSE attainment and children in low income should be included as priorities, Sheila Davison highlighted that the Board is able to review progress against any of the indicators. She undertook to map the indicators set out in paragraph 8 to lead partners/groups where possible. Following further discussion the Board agreed priorities under four broad headings.

Resolved:

The Board agreed that:

- (i) the four priorities for 2018-23 be Housing; Smoking; Obesity in children and excess weight in adults; and Diabetes.**
- (ii) the leads for the four priorities would be Ashford Borough Council for housing; Kent County Council (Public Health) for Smoking and Obesity/Excess Weight and the Clinical Commissioning Group for Diabetes.**
- (iii) the broader indicators set out in paragraph 8 would be further examined and where possible be linked to lead partners/groups.**

Neil Fisher considered that this was the type of issue which could be picked up by one of the three clusters proposed for the Ashford Borough area.
