Audit Committee Annual Report – 2011/12

1. Introduction

The Council established the Audit Committee as a full committee with effect from December 2006. Whilst there is currently no statutory obligation to have an Audit Committee, they are widely recognised as a core component of effective governance. In recent years there has been a significant amount of regulation and guidance issued on governance arrangements for private and public sector bodies, the common feature of governance arrangements being the existence of an Audit Committee:

History of Corporate Governance	
1991	Cadbury Committee set up
1992	Cadbury report
1995	Greenbury Committee
1997	Nolan Committee reports
1998	Hampel Committee report
1999	Turnbull Committee
2001	Enron
2002	Sarbanes-Oxley Act
2003	Higgs & Smith reports
2003	Combined code

Audit Committees differ from the Scrutiny Committees in that the role of scrutiny is to review policy and challenge whether the executive has made the right decisions to deliver policy goals. The Audit Committee, however, exists to provide **independent assurance** of the adequacy of the risk management framework and the associated control environment, independent scrutiny of the Authority's financial and non-financial performance to the extent that it affects the Authority's exposure to risk and affects the control environment, and oversight of the financial reporting process.

The Committee **is not a substitute for the executive function** in the management of internal or external audit, risk management, corporate governance, stewardship reporting, internal control or any other review or assurance function. It is the Committee's role to examine these functions, and to offer opinions or recommendations on the way the management of these functions is conducted.

Ashford Borough Council – Committee structure

There are many benefits to be gained from an effective Audit Committee. In fulfilling its role the committee will:

- raise greater awareness of the need for internal control and the implementation of audit recommendations;
- increase public confidence in the objectivity and fairness of financial and other reporting;
- reinforce the importance and independence of internal and external audit and any other similar review process (for example, providing a view on the Annual Governance Statement);
- provide additional assurance to the Authority and its stakeholders through the results of its reviews.

Induction Training

In addition to the above meetings an induction training session was held for all Audit Committee members on the 7th June 2011 to provide an overview of their responsibilities in discharging the Audit Committees responsibilities. The Committee has also received other training/briefing sessions during the year prior to the commencement of the formal meetings on areas such as Risk management, Accounts (IFRS) and Fraud

6. Assurance

The Audit Committee has considered the following areas to assist it in gaining assurance of the governance arrangements within the organisation as part of its annual work programme.

Risk Management
<ul style="list-style-type: none">• Consider the effectiveness of the Authority's risk management arrangements• Seek assurance that action is being taken on risk-related issues identified by auditors and inspectors

This has been achieved by:

- Establishing a member/officer working group to review and develop progress on the development of Strategic Risk management within the authority.
- Participated in Risk workshops with Senior Managers and Zurich Risk services to assist in the development of a revised Risk Register. As a result of the Committees involvement it is likely that a new Strategic Register will be established in the near future.
- Receiving progress reports on Strategic risk areas, considering individual risks and their categorisation, and influencing the format and presentation of risk reports;
- Receiving progress reports on internal and external audit issues.

Internal Control assurance
<ul style="list-style-type: none">• Consider the effectiveness of the Authority's control environment• Be satisfied that the Authority's assurance statements including the Annual Governance Statement properly reflect the control environment and any actions required to improve it

This has been achieved by:

- Considering the review of internal control for 2010/11 and agreeing the significant issues to be included in the Council's Annual Assurance Statement for 2010/11
- Approving the Authority's Annual Governance Statement for 2010/11 and the action plan to address significant improvements. These were incorporated into the Improvement Plan and actions have been monitored by the Committee throughout the year;
- Received and considered the Annual Fraud report

Audit Activity

- **Approve (but not direct) Internal Audit's strategy; plan and monitor performance**
- **Review summary Internal Audit reports where they've received a 'limited' or 'minimal' assurance and seek assurances that action has been taken where necessary**
- **Receive the annual report of the Internal Audit Manager**
- **Consider the reports of external audit and inspection agencies**
- **Ensure there are effective relationships between internal and external audit, and inspection agencies**

Internal Audit

The Committee has:

- Considered and agreed the Internal Audit Plan for 2011/12;
- Received and considered the Head of Internal Audit Partnership Manager's Annual Report for 2010/2011, including the opinion on the Authority's control environment which was incorporated into the Annual Governance Statement;
- Received reports on the Internal Audit team's progress against the Plan;
- Received reports setting out the position regarding the agreement of audit reports and the assurance opinions provided for each review area;
- Considered and agreed the Internal Audit 3 year Strategic Plan

External Audit

The Committee has:

- Received and agreed the Annual Audit & Inspection Letter for 2010/11,
- Considered and agreed the Audit & Inspection Plan for 2010/11;
- Considered and agreed the certification of grant claim reports;
- Received progress reports on the action taken in response to external audit recommendations via the corporate improvement reports.
- Received progress reports on the abolition of the Audit Commission and the selection process/outcomes for the appoint of the new regional external auditors (Grant Thornton)

Accounts

- **Review the financial statements, external auditor's opinion and reports to members, and monitor management action in response to the issues raised by external audit**

The Committee has sought assurance by:

- Considering changes both to the format of the Accounts and the accounting policies used to prepare the accounts;
- Approving the Statement of Accounts for 2010/11 and later amendments;
- Receiving and considering the Annual Governance Report 2010/11, and agreeing the signing of the letter of representation by the Chairman of the Audit Committee, Deputy Chief Executive and the Leader of the Council;

7. Review of the Audit Committee's Effectiveness

It is regarded as best practice to periodically review the Audit Committee's effectiveness. In 2010/11 the Audit Partnership commissioned a peer review (Government & Improvement & Development (LGID) to be undertaken on the four partners Audit Committees covering the following elements:

- Terms of Reference

8. Summary update

In response to this report the committee has already taken steps to address some of the issues raised as part of this review. A meeting was convened where it was agreed the committee would review the recommendations made and draw up an action plan to monitor any action taken. The attached table/appendices sets out the position as at 31st March 2012 on progress made to implement the review recommendations.

ASHFORD BOROUGH COUNCIL – AUDIT COMMITTEE ACTION PLAN

No.	Recommendation	Progress to Date	Comments
1	To further explore the option of a co- opted Independent member sitting on the Audit Committee	Members determined to keep this option under review and consider this issue periodically to determine whether it would benefit the Committees needs. The constitution has been amended to allow the Committee to pursue this option at some future time if required.	This option will continue to be reviewed by members to ensure that the needs of the Committee are effectively discharged. If it is determined at a future time that it would be beneficial to the Committee to appoint an independent (non elected) member appropriate action will taken to do so.
2	Produce the Audit Committees first annual report for 2010/2011	<i>The first Audit Committee Annual report was considered by the June (2011) Audit Committee and full Council in 2011. A similar report is to be published for the June 2012 meeting</i>	Implemented
3	The Head of the Internal Audit Partnership will develop a training programme across the partnership authorities to ensure economies of scale and a co-ordinated training programme is delivered to Audit Committee members. to ensure they are appropriately equipped to discharge there responsibilities	<i>Audit Committee induction training has been provided together with a number of other training opportunities which have been held prior to the Audit Committee meetings during the year (areas such as Governance/Accounts and Risk) via briefing sessions</i>	Implemented – Ongoing training will continue to be provided as when required
4	A report will be developed by the Head of Audit Partnership on the development of risk within Ashford Borough Council which will be brought forward for the committee for consideration	<i>Officer member/working party established and risk workshops run to refresh the strategic risk register. Reports have been provided to Audit Committee members to update them on the progress being made; it is anticipated that the revised Strategic Risk register will come forward to this committee for consideration in the early part of the new financial year.</i>	Implemented – significant progress has been made with the support of the Audit Committee to develop a new Strategic Risk Register which should be formally adopted in the near future
5	Committee could expand its governance assurance role to cover partnerships	<i>Members considered a report in March 2012 on Good Principles of Partnership Governance which will form the basis of a review of governance arrangements in key partnerships ABC is currently involved in.</i>	<i>A report is proposed to be brought back to Audit committee in September 2012 with the results of this governance evaluation</i>

6	Greater promotion of the role of the Audit Committee across the Council	<i>The Annual Audit Committee report is considered by full Council setting out the work programme covered in the previous year and the work programme for the forthcoming year. In addition the Committee has the ability to escalate issues if necessary via an Audit Committee member who also sits on Cabinet.</i>	Implemented
