| 377 12/12/06 | Proposed traffic calming measures in Bluebell Road & Roman Way, Park Farm and Church Hill, Kingsnorth. | Andy Corcoran (KCC) | <p>RESOLVED: That</p> <p>2. subject to agreement of the Local Planning Authority & Ashford Borough Council's legal team, the proposed pedestrian crossing on Ashford Road, at the junction with Church Hill, be deferred for a period of two years and the money saved be ring-fenced in an attempt to secure further external funding so that ultimately traffic lights can be erected at the junction.</p> | <p>£145,000 from the development is still available. KHS are looking into options for the expenditure of this money to discuss with Members and Parish Council.</p> <p>At the meeting held on 10.12.13 Mr Wilkinson advised officers were awaiting a report from ABC's Planning Department on whether this expenditure was an appropriate use of S106 money & they would keep the County Member informed of developments.</p> <p>KCC has confirmed that the S106 funding was apportioned in the following manner: £15,000 towards updating street lighting equipment on Ashford Road £20,000 towards installing two Vehicle Activated signs on Ashford Road (refer to description above) £130,000 towards major resurfacing of Park Farm Road, Ashford. As part of a Countywide programme, the additional surfacing of an existing scheme of Park Farm Road, Ashford demonstrated better value for money owing to the expansion of existing proposals, which reduced mobilisation costs.</p> <p>ABC's Planning Department has certified that the S106 money was secured for a Traffic Calming Scheme "traffic calming and traffic management of the adopted public</p> |

| 248 10/12/13 | Appeal Against Refusal of Disabled Parking Bay Application – DPPB/13/16 – Lockholt Close, Ashford | KCC | RECOMMENDED: To the Executive of KCC that the decision of the Panel be upheld as follows: The medical evidence provided demonstrated the applicant's daughter qualified for the provision of a disabled bay; but taking into account the road condition, it was determined that aside from the short spans of time when the school was subject to heavy traffic, there was no parking problem in the area & therefore the application be declined on the grounds of traffic management, The Board also agreed there should be a review of the process for deciding Disabled Persons Parking Bay applications & a report should be brought to the JTB accordingly. Members were asked to forward their thoughts on the process to the Chairman of the JTB, to assist in this review. | A report on this item from KCC's Parking & Enforcement Manager was put to the KCC Cabinet Member for Highways following an appeal by the applicant. The Cabinet Member approved implementation for a bay which KCC has carried out. A report explaining why actions were taken contrary to the JTB's recommendations has been requested. KCC has installed an informal disabled persons parking bay and has carried out the formal statutory public consultation on the supporting traffic regulation order. This consultation closes 12 noon on 8 th September 2014. |
