New items:-

Apart from items such as scrutinising the Council's draft budget, which the Constitution requires the O&S Committee to do every year; the O&S Committee sets its own work programme for the year. Some items recur on a regular basis e.g. the yearly update from the Community Safety Partnership and the quarterly Business Plan performance report; others are of a 'one-off' nature.

With the agreement of the Chairman, items can be put on the O&S agenda following a request from Cabinet or another Committee (e.g. Audit). Members of the O&S Committee are also able to suggest items that the Chairman may wish to put on the Committee's agenda (by putting their proposal in writing to him) – such items must represent a Borough wide perspective and provide the opportunity to influence, to improve services or contribute to policy development.

The Chairman will then decide if the item is appropriate for O&S to consider and, if so, is there room on the work programme.

Any such item will be put to the Committee for Members to decide if they wish to add it to the work programme.
