### **Future Reviews and Report Tracker**

1. The current Year Plan for 2015/16 and the report tracker is attached to this report. This has been amended to add the three items raised at the meeting on 23 June regarding the Quality Bus Partnership, Emergency Planning and Implementing the Social Value Act 2012.
2. Short reports on the Quality Bus Partnership and the Social value Act 2012 are included within the agenda for this meeting. A paper on Emergency Planning will be coming to the Committee in September.
3. The Committee is asked to consider whether there are any other items they wish to suggest that the Committee considers for review as part of its 2015/16 work programme. Apart from items such as scrutinising the Council's draft budget, which the Constitution requires the O&S Committee to do every year; the O&S Committee sets its own work programme for the year. Some items recur on a regular basis e.g. the yearly update from the Community Safety Partnership and the Quarterly Business Plan Performance Report; others are of a 'one-off' nature.
4. With the agreement of the Chairman, items can be put on the O&S agenda following a request from Cabinet or another Committee (e.g. Audit). Members of the O&S Committee are also able to suggest items that the Chairman may wish to put on the Committee's agenda (**by putting their proposal in writing to him**) – such items must represent a Borough wide perspective and provide the opportunity to influence, to improve services or contribute to policy development.
5. The Chairman will then decide if the item is appropriate for O&S to consider and, if so, is there room on the work programme. Any such item will be put to the Committee for Members to decide if they wish to add it to the work programme.
6. The Committee will need to agree any items put forward for review.
