### **Note on Votes at Planning Committee Meetings:**

At the end of the debate on an item, the Chairman will call for a vote. If more than one motion has been proposed and seconded, the motion that was seconded first will be voted on first. When a motion is carried, the Committee has made its determination in relation to that item of business and will move on to the next item on the agenda. If there are any other motions on the item which have not been voted on, those other motions fall away and will not be voted on.

If a motion to approve an application is lost, the application is not refused as a result. The only way for an application to be refused is for a motion for refusal to be carried in a vote. Equally, if a motion to refuse is lost, the application is not permitted. A motion for approval must be carried in order to permit an application.
