

SELECTION & CONSTITUTIONAL REVIEW COMMITTEE

12th APRIL 2012

PROPER OFFICER FOR INFECTIOUS DISEASES REGULATIONS

Dr M Chandrakumar has retired as Director for Kent Health Protection Unit and has been replaced on an interim basis by Dr James Sedgwick.

Within the Council's current Constitution Dr Chandrakumar is authorised as Proper Officer for Infectious Diseases Regulations and this authorisation needs to be passed to Dr Sedgwick.

The references are contained within Part 3, Appendix 5 of the Constitution under Paragraph 14 of Section A – "Proper and Authorised Officers and Designated Posts". This will need to be amended accordingly.

Recommended:

That Dr James Sedgwick be authorised as the Proper Officer for Infectious Diseases Regulations and the Constitution be amended accordingly to reflect this.
