

SELECTION & CONSTITUTIONAL REVIEW COMMITTEE

6TH DECEMBER 2012

FLYING OF FLAGS AT THE CIVIC CENTRE

At the Planning Committee on the 20th June 2012 an application for the flying of any flag on the existing three flagpoles at the Civic Centre was considered (Application No. 12/00517/AS refers).

During discussion on this application the Leader of the Council proposed that if the application was permitted, then the Planning Committee should recommend to the Selection & Constitutional Review Committee that the process for determining which flags were displayed on the Civic Centre flagpoles should be delegated to the Chief Executive in consultation with the Leader of the Council or the Deputy Leader in his absence. This recommendation is therefore put before this Committee for approval and, if agreed, the Council's Constitution will be amended accordingly.

Recommended:

That the process for determining which flags are displayed on the Civic Centre flagpoles be delegated to the Chief Executive in consultation with the Leader of the Council or the Deputy Leader in his absence.
