Agenda Item 3

Declarations of Interest (see also “Advice to Members” below)

- (a) **Disclosable Pecuniary Interests (DPI)** under the Localism Act 2011, relating to items on this agenda. The nature as well as the existence of any such interest must be declared, and the agenda item(s) to which it relates must be stated.

A Member who declares a DPI in relation to any item will need to leave the meeting for that item (unless a relevant Dispensation has been granted).

- (b) **Other Significant Interests (OSI)** under the Kent Code of Conduct relating to items on this agenda. The nature as well as the existence of any such interest must be declared, and the agenda item(s) to which it relates must be stated.

A Member who declares an OSI in relation to any item will need to leave the meeting before the debate and vote on that item (unless a relevant Dispensation has been granted).

However, prior to leaving, the Member may address the Committee in the same way that a member of the public may do so.

- (c) **Voluntary Announcements of Other Interests** not required to be disclosed under (a) and (b), i.e. announcements made for transparency alone, such as:

- Membership of amenity societies, Town/Community/Parish Councils, residents' groups or other outside bodies that have expressed views or made representations, but the Member was not involved in compiling or making those views/representations, or
- Where a Member knows a person involved, but does not have a close association with that person, or
- Where an item would affect the well-being of a Member, relative, close associate, employer, etc. but not his/her financial position.

[Note: Where an item would be likely to affect the financial position of a Member, relative, close associate, employer, etc.; OR where an item is an application made by a Member, relative, close associate, employer, etc., there is likely to be an OSI or in some cases a DPI. ALSO, holding a committee position/office within an amenity society or other outside body, or having any involvement in compiling/making views/representations by such a body, may give rise to a perception of bias and require the Member to take no part in any motion or vote.]

Advice to Members on Declarations of Interest:

- (a) Government Guidance on DPI is available in DCLG's Guide for Councillors, at https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/5962/2193362.pdf
- (b) The Kent Code of Conduct was adopted by the Full Council on 19 July 2012, and a copy can be found in the Constitution alongside the Council's Good Practice Protocol for Councillors dealing with Planning Matters. See <https://www.ashford.gov.uk/media/2098/z-word5-democratic-services-constitution-2019-constitution-of-abc-may-2019-part-5.pdf>
- (c) Where a Member declares a committee position or office within, or membership of, an outside body that has expressed views or made representations, this will be taken as a statement that the Member was not involved in compiling or making them and has retained an open mind on the item(s) in question. If this is not the case, the situation must be explained.

If any Member has any doubt about any interest which he/she may have in any item on this agenda, he/she should seek advice from the Director of Law and Governance and Monitoring Officer, or from other Solicitors in Legal and Democracy as early as possible, and in advance of the Meeting.

Agenda Item 5

PROCEDURE NOTE FOR LICENSING HEARINGS

1. Prior to the meeting of the Committee¹, the Committee will have read and familiarised themselves with the Licensing Officer's report and documents referred to in it.
2. The hearing will take place in public, subject to a discretion to exclude the public and/or parties where the public interest in doing so outweighs the public interest in the hearing taking place in public². The Committee may also exclude anyone behaving disruptively.³
3. The parties⁴ are entitled to be assisted or represented by any person, whether or not legally qualified. A party is entitled to withdraw any of their representations orally at the hearing or at least 24 hours before the day or the first day of the hearing.⁵
4. The Committee may extend any time limit in the Regulations for a specified period where it considers this to be necessary in the public interest, but must state the period of the extension and the reason for it.⁶ For example, the Committee may extend the time for making a request to call a witness (see paragraph 16- below).
5. Where a party has notified the authority that he does not intend to attend, the Committee will proceed with the hearing in his absence. Where he has not so notified the authority but does not attend, the Committee may adjourn the hearing to a specified date where it considers it necessary in the public interest to do so. Otherwise, it will proceed with the hearing.⁷
6. Before proceeding in the absence of a party who has not indicated that they do not wish to attend, the Licensing Officer will attempt to ascertain the reason for that party's non-attendance.
7. The Committee may adjourn the hearing to a specified, or extra, date where it considers this to be necessary for the determination of the case.⁸ There are limitations on the ability of the Committee to adjourn the case beyond the time limits for determination during the transitional period and on reviews following closure orders by the police.⁹
8. At the outset of the meeting, a Chair will be elected and any personal and/or prejudicial interests declared.¹⁰
9. Except where the Regulations make specific requirements, the procedure will be in the discretion of the Committee.¹¹

¹ In this Note the expression "the Committee" includes a sub Committee.

¹⁰ Model Code of Conduct

10. At the beginning of the hearing, the Committee will explain to the parties the procedure it proposes to follow.¹²
11. The Chairman will indicate that all the papers before the Committee have been read and that the Committee is familiar with the issues. He will ask the parties to avoid repetition.
12. The Chairman will indicate the order of presentation.
13. If there are a number of objectors present, the Chairman may request that a spokesperson be appointed. He will make it clear that any party¹³ who wishes to speak will be able to do so, and that the appointment of a spokesperson does not mean that the objections of any interested party will be given less weight.
14. The Chairman may also indicate how the Committee intends to deal with conditions proposed by the parties or by the Committee itself. He may ask the parties to attempt to agree a schedule of conditions for use if the Committee is minded to grant the application. This will not mean that the Committee has formed any view of the merits. It will only come to its decision at the end.
15. A party is entitled to be represented or assisted by another person, whether or not that person is legally qualified.¹⁴
16. If a party wishes a person (other than himself or his representative) to appear at the hearing he must have made a request to do so prior to the hearing within the times prescribed in Reg. 8. The request must name the person and give a brief description of the point(s) on which that person may be able to assist. In such a case, the Committee will determine the application for permission at the outset of the hearing.¹⁵ In determining that request, the authority will consider the representations of all parties upon the matter and may consider the relevance of the proposed evidence, the assistance it will in fact offer to the Committee and the prejudice to the parties, if the evidence is admitted or excluded.¹⁶
17. Each of the parties has a right to:
 - a. address the Committee;
 - b. give clarification of any point, where such clarification has been sought by the Council in its notice of hearing;
 - c. question any other party, but only where this is expressly permitted by the Committee (see para 21 below).¹⁷
18. The Committee must allow an equal maximum time for the parties to exercise their rights as set out in para 17 above.¹⁸

¹⁵ Reg 22

¹⁶ Reg 22

¹⁷ Reg 16.

19. The Committee will set the time of the hearing at the outset, having regard to its view of the length reasonably required for the hearing. It may hear the parties briefly before setting the maximum time. It may extend the time where circumstances require.¹⁸
20. The hearing is to take the form of a discussion led by the Committee.¹⁹ The Chairman will ensure that within the discussions, all parties are given an opportunity to state their case as set out in their written application/representations and to meet the case of opposing parties.
21. Cross-examination will not be permitted unless the Committee considers that it is required for it to give proper consideration to the case.²⁰ Any application to cross-examine will be heard and dealt with at the hearing.
22. The Committee may consider cross-examination to be required, for example, where there is a genuine issue of fact, which can only be resolved fairly through cross-examination.
23. The Committee may question any party or other person(s) appearing.²¹
24. The Committee may take into account documentary or other information provided by a party before the hearing. Information produced at the hearing may only be taken into account with the consent of all other parties.²² The parties are therefore strongly recommended to exchange documentary evidence and brief summaries of any proposed witness evidence at least 5 days before the hearing, otherwise they may be restricted in the information they can put before the committee. Any material exchanged should also be given to the licensing authority at the same time.
25. The Committee must disregard any information given which is not relevant to the application, representations or notice of the party giving the information. The Committee must also disregard any information which is not relevant to the promotion of the licensing objectives.²³
26. In certain circumstances, the Committee is required by law to make its determination at the conclusion of the hearing. This includes certain applications made during the transitional period, counter-notices following police objections to temporary events notices, and reviews of premises licences following closure orders. Otherwise the Committee is required to determine the application within five working days of the day or the last day on which the hearing was held²⁴.
27. The Committee will give reasons for its decision and will confirm the decision in writing to the parties.

Report Title: **Licensing Act 2003 - Application for a premises licence for:
The Codfather, 15 High Street, Ashford, TN24 8TH**

Purpose of the Report

1. The report advises Members of a licence application under the provisions of the Licensing Act 2003.

Application type: **Application for a premises licence**

Applicant: **Codfather Ashford Ltd**

Premises: **The Codfather, 15 High Street, Ashford, TN24 8TH**

Issue to be Decided

2. Members are asked to determine whether to grant the premises licence, with or without additional conditions pursuant to the Act following representations from the Home Office and Kent Police.

Background

The Licensing Objectives

3. The licensing authority must carry out its functions under the Licensing Act 2003 with a view to promoting the licensing objectives namely, the prevention of crime and disorder, public safety, the prevention of public nuisance and the protection of children from harm (LA 2003, s4 (1)).

Application details

4. The application is for a premises licence for late night refreshment. The premises is situated on Lower High Street, Ashford, within the town centre.
5. Whilst each application must be considered on its merits at the time of application, members may wish to note the following summarised history of applications and hearings in relation to the premises;
 - January 2017 – Premises licence transferred to Mr S Ahmadzai
 - January 2019 - Licence revoked at Licensing sub-committee hearing. The reason for revocation was failure to uphold the prevention of crime and disorder licensing objective following a violent incident outside the premises involving staff of the Codfather.
 - April 2019 - A new Premises licence applied for by Mr Khaista Gul Ahmadzai was submitted.
 - June 2019 - Premise licence application refused at hearing following representations by Kent Police and the Home Office

6. See **Appendix A** for the premises licence application, along with a plan of the internal layout.
7. **Appendix B** details the updated operating schedule conditions, public notice advertised via the Kentish Express and the public notice displayed at the premises.
8. The Home Office's representation is at **Appendix C**.
9. Kent Police's representation is at **Appendix D**.

Relevant premises operating hours

10. The application proposes to permit:

| | |
|-------------------------------|--|
| Opening Hours | Monday to Saturday 11:30 – 04:30 Sunday 11:30 – 01:00 |
| Late night refreshment | Monday to Saturday 23:00 – 04:30 Sunday 23:00 – 01:00 |

General

11. Members attention is drawn to the following matters:

- All applications are to be considered on their merits as well as against the relevant policy and statutory framework.
- In relation to immigration crime, members attention is drawn to paragraph 9.25 of the Licensing Act 2003 section 182 guidance which clarifies that under the Immigration Act 2016 powers are conveyed to Home Office Immigration Enforcement as a responsible authority who exercise powers on the Secretary of State's behalf. When Immigration Enforcement exercises its powers as a responsible authority it will do so in respect of the prevention of crime and disorder licensing objective because it is concerned with the prevention of illegal working or immigration offences more broadly.

Further the following further sections of the Section 182 guidance remain particularly pertinent to immigration crime;

Paragraph 2.6;

The prevention of crime includes the prevention of immigration crime including the prevention of illegal working in licensed premises... Licence conditions that are considered appropriate for the prevention of illegal working in licensed premises might

include requiring a premises licence holder to undertake right to work checks on all staff employed at the licensed premises or requiring that a copy of any document checked as part of a right to work check are retained at the licensed premises.

Paragraph 11.18

... licensing authorities may take into account any civil immigration penalties which a licence holder has been required to pay for employing an illegal worker.

Paragraph 11.28

It is envisaged that licensing authorities, the police, the Home Office (Immigration Enforcement) and other law enforcement agencies, which are responsible authorities, will use the review procedures effectively to deter such activities and crime. Where reviews arise and the licensing authority determines that the crime prevention objective is being undermined through the premises being used to further crimes, it is expected that revocation of the licence – even in the first instance – should be seriously considered.

Paragraph 13.7

...On any appeal, the court is not entitled to consider whether the licence holder should have been convicted of an immigration offence or been required to pay an immigration penalty, or whether they should have been granted by the Home Office permission to be in the UK. This is because separate rights exist to appeal these matters or to have an immigration decision administratively reviewed.

- Due regard should be given to the provisions of the Human Rights Act 1998, Race Relations Act 1976 as amended by the Race Relations (Amendment) Act 2000 and Section 17 of the Crime and Disorder Act 1998 and, so far as possible, reflect local crime prevention strategies.
- The operating schedule forms part of the completed application form for a premises licence. The operating schedule should include information, which is necessary to enable any responsible authority or other party to assess whether the steps to be taken to promote licensing objectives are satisfactory.
- The licensing authority may not impose any conditions unless its discretion has been engaged following the making of relevant representations and it has been satisfied at a hearing of the appropriateness to impose conditions due to the representations raised. It may then only impose such conditions as are appropriate to promote the licensing objectives arising out of the consideration of the representations. However, in order to minimise

problems and the necessity for hearings, it would be sensible for applicants to consult with responsible authorities when schedules are being prepared. This would allow for proper liaison before representations prove necessary.

- The Guidance states “the conditions that are appropriate for the promotion of the licensing objectives should emerge initially from the risk assessment carried out by a prospective licence or certificate holder, which they should carry out before making their application for a premises licence or club premises certificate. This would be translated into the steps recorded in the operating schedule or club operating schedule which must also set out the proposed hours during which licensable activities will be conducted and any other hours during which the premises will be open to the public.”

Decision options

12. The steps an authority may take are:

- a) Grant the licence subject to
 - i) Such conditions as are consistent with the operating schedule accompanying the application modified to such an extent as the authority considers necessary for the promotion of the four licensing objectives, and
 - ii) any conditions which must under section 19, 20, or 21 of the Licensing Act 2003 be included in the licence (the mandatory conditions).
- b) Reject the application.

Consultation

13. All relevant parties have followed the consultation procedures required under the Licensing Act 2003.

Implications Assessment

14. The decision should be made with regard to the Secretary of State's Guidance and the Council's Statement of Licensing Policy under the Licensing Act 2003. Where the decision departs from either the Guidance or the policy clear and cogent reasons must be given. Members should be aware that if such a departure is made the risk of appeal / challenge is increased.

Human Rights

15. While all Convention Rights must be considered, those which are of particular relevance to the application are:

- Article 8 - Right to respect for private and family life
- Article 1 of the First Protocol - Protection of Property
- Article 10 – Freedom of Expression

The full text of each Article is given in the attached Appendix I.

Handling

16. The timings for handling the application are set out in the Licensing Act 2003 and related regulations.

Conclusion

17. Members must ensure that the application is considered on its merits, as well as against the relevant guidance, policy and statutory framework.
