However any member of the press or public may listen-in to proceedings at this 'virtual' meeting via a weblink which will be publicised on the Council's website at www.ashford.gov.uk at least 24 hours before the meeting. Members of the press and public may tweet, blog etc. during the live broadcast as they would be able to during a regular Joint Transportation Board meeting at the Civic Centre, but the only actual participants in this Virtual Meeting will be the Councillors concerned, the Officers advising them, and the Officers designated to run the meeting and/or address Councillors on behalf of any members of the public who have registered in advance to 'speak' on the items to be considered.
