(a) 7/1S                      (b) -                      (c) ESM- S

The Interim Planning Applications and Building Control Manager gave a presentation, explaining that the application had been made to address local residents' complaints regarding noise pollution. ABC's Parking Service had made no objections to the proposal, as documented in the Update Report.

**Resolved:**

## **Permit**

**Subject to the following Conditions and Notes:**

1. The development hereby permitted shall be begun before the expiration of 3 years from the date of this decision.

**Reason:** To comply with the requirements of Section 91 of the Town and Country Planning Act 1990 as amended by Section 51 of the Planning and Compulsory Purchase Act 2004.

2. The development shall be carried out in accordance with the details of external materials specified in the application which shall not be varied.

**Reason:** In the interests of visual amenity.

3. The development shall be carried out in accordance with the plans listed in the section of this decision notice headed Plans/Documents Approved by this decision.

**Reason:** To ensure the development is carried out in accordance with the approval and to ensure the quality of development indicated on the approved plans is achieved in practice.

4. The development approved shall be made available for inspection, at a reasonable time, by the local Planning authority to ascertain whether a breach of planning control may have occurred on the land (as a result of departure from the plans hereby approved and the specific terms of this permission/consent/approval).

**Reason:** In the interests of ensuring the proper planning of the locality, the protection of amenity and the environment, securing high quality development through adherence to the terms of planning approvals and to ensure community confidence in the operation of the planning system.

### **Working with the Applicant**

In accordance with paragraphs 38 of the NPPF Ashford Borough Council (ABC) takes a positive and creative approach to development proposals focused on solutions. ABC works with applicants/agents in a positive and proactive manner by;

- offering a pre-application advice service,
- as appropriate updating applicants/agents of any issues that may arise in the processing of their application
- where possible suggesting solutions to secure a successful outcome,
- informing applicants/agents of any likely recommendation of refusal prior to a decision and,
- by adhering to the requirements of the Development Management Customer Charter.

In this instance ...

- the application was acceptable as submitted and no further assistance was required.
- The application was considered by the Planning Committee where the applicant/agent had the opportunity to speak to the committee and promote the application.
