**Resolved:**

**REFUSE**

**on the following grounds:**

The proposal would be contrary to policies SP1 & SP6 of the Ashford Borough Local Plan (2030) and to Central Government advice contained in the National Planning Policy Framework and would be considered development harmful to interests of acknowledged planning importance for the following reasons:

- The proposed fence to the northwest and northeast boundaries of the site by virtue of its solid appearance, height and siting adjacent to the highways would result in a visually impermeable, urbanised, dominant and incongruous feature in a prominent position which would be out of character with the soft and rural character of the surrounding area to the detriment of visual amenity.
