## 440 Background and Principles of Political Balance and Administrative Structure

The Member Services Manager (Operational) introduced the report which presented the Political Balance for the Authority and sought to agree a number of other constitutional matters which needed to be recommended to the Annual Meeting of the Council on the 16<sup>th</sup> July 2020. The agreed Political Balance is contained at Appendix A to these Minutes. He also drew the Committee's attention to the tabled paper which included some additions to the report which had occurred following the publication of the Agenda, including an amendment to recommendation (iv), allocating a seat on the Audit Committee to an Independent Councillor – Councillor Walder.

The Chairman ran through the membership of Committees, Groups, Panels and Boards one by one. With input from Members, the membership for 2020/21 was completed including the nominations for Chairmen and Vice-Chairmen. This is contained at Appendix B to these Minutes.

The Chairman drew attention to the proposed changes to the Planning Committee. He said that at the last Full Council meeting, whilst it had already been agreed to reduce the size of the Committee, he had also undertaken to look at the advice of the Planning Advisory Service on Planning Committees. He had now reviewed that advice very carefully and whilst he did not agree with everything within it and preferred to follow the Council's own Good Practice Protocols within its own Constitution, he had taken the decision to make some changes. Namely, to remove himself as the Leader from an ex-officio position on the Committee and to remove the Portfolio Holder for Planning and Development as a Voting Member on the Committee and instead appoint that Member to the ex-officio position. A Member asked for some more clarity over the role of an ex-officio Member. He said that in his view there should not actually be any ex-officio Members on the Planning Committee, be that the Portfolio Holder or the Leader, because if they were deemed to be too close to applications or certain developers to vote, then they should also not be able to seek to influence the Committee or propose or second motions. There had certainly been some confusion expressed recently by the public about this role and in his view it did 'muddy the waters' and affected public perception. In response the Leader advised that there was a view that the Planning Portfolio Holder had a lot of value to offer the Committee in terms of an overseeing and advisory role, but concessions had been made in terms of removing the Leader completely and removing the Portfolio Holder's ability to vote, and he thought that was probably the right balance. He also certainly did not believe that it was the case that Members were influenced by what he, or the Planning Portfolio Holder said at meetings. Members of the Planning Committee were all strong characters and had always voted according to their own views on issues. He also wanted to assure Members that neither he nor the Portfolio Holder ever met with Developers without a Planning Officer present and these normally took the form of pure introductory meetings, with Developers then passed over to deal purely with the Officers from that point on.

The Leader of the Labour Group said that there had been some discussion recently in the media and in emails about "use of the whip" and he thought there had been some confusion about what that actually meant which needed to be clarified. At a local level, certainly for his Group and he understood for others, this meant something very different to Westminster where it was about "whipping" Members to vote in a certain way. In his Group the Whip role was just about finding substitutes for meetings. The Leader confirmed this was also the case for the Conservative Group and he could honestly say that in his time as Leader they had never "whipped" their Members to vote in a certain way on anything.

On a more general point, a number of Members considered that there had been a lot of mis-information circulating recently, particularly about the Planning Committee, and that this had been unsettling. The Leader considered it was important for all Members to be cognisant of what they said publically and to the local media and to make sure that it was accurate. A lot of inferences had been drawn recently from incorrect information and this was dangerous and misleading for the public. He

would be speaking to Group Leaders about this and reminding Members of their obligations as set out in the Constitution. The Leader of the Ashford Independent Group advised that his Group had a procedure for 'fact-checking' any information that was sent out publicly by Members and they would ensure that this was followed in the future to ensure that they did not mislead the public. He hoped other Groups would also do something similar.

**Recommended:**

That (i) **the Political Balance of the Authority as contained at Appendix A to these Minutes be adopted, subject to the Council agreeing that the requirements of the Political Balance Regulations be not applied to the Membership of the Joint Transportation Board, Appeals Panels, Standards Committee, the Investigation and Disciplinary Committee (and its Panels) and the Sub-Committee of the Licensing and Health and Safety Committee established under the Licensing Act 2003 and Gambling Act 2005.**

(ii) **the following Committees be constituted for the Municipal Year as detailed in Part 3 of the Constitution:**

**Appeals  
Appointments  
Audit  
Investigation and Disciplinary  
Joint Arrangements – Joint Transportation Board  
Licensing and Health and Safety  
Overview and Scrutiny  
Planning  
Selection and Constitutional Review  
Standards**

**NB: Details of Members appointed to Membership of each Committee etc by Group Leaders is shown at Appendix B to these Minutes. Note: This may be subject to amendments from Group Leaders.**

(iii) **the remaining seat on the Planning Committee be allocated to Councillor Walder.**

(iv) **the remaining seat on the Audit Committee be allocated to Councillor Walder.**

(v) **the changes in Committee membership as notified by the Group Leaders and as set out at Appendix B to these Minutes be noted.**

(vi) **the membership of Cabinet Boards, Advisory Committees and Task Groups for 2020/21, as set out at Appendix B to these Minutes be noted.**

- (vii) **the Ex-Officio position on the Planning Committee be taken by the Portfolio Holder for Planning and Development, who shall have no voting rights, nor be permitted to substitute in to a voting position. The Constitution to be amended accordingly.**

## **441 Representatives on Outside Bodies/Organisations**

The report gave details of those organisations or outside bodies to which the Council appointed or nominated representatives, and the names of the Members of the Council who currently served in this capacity. Details of attendance by the Council's appointed representatives at meetings of the organisations during the past year (where known) and retirement dates were also shown.

A nomination was made to the vacant position for a Council Representative on the Kent Downs (AONB) Joint Advisory Committee.

The Leader of the Labour Group asked if representatives from other Groups on the Council could be invited to attend the meetings of the Ashford Health and Wellbeing Partnership. The Leader said this was something he was happy to discuss further outside of the meeting.

### **Resolved:**

**That the names of the persons to be appointed or nominated as Members or Substitute Members (as the case may be) to the organisations listed in Appendix C to these Minutes be agreed.**

## **442 Annual Meeting – Order of Proceedings**

The Committee considered the Order of Proceedings for the Annual Meeting of the Council including the movers and seconders of the Mayor, Deputy Mayor and the vote of thanks to the Retiring Mayor.

### **Resolved:**

**That the Director of Law and Governance prepare the Order of Proceedings for the Annual Meeting of the Council on the basis of the advice of this Committee.**

## **443 Amendments to Contract Standing Orders**

The report advised that there was a requirement to review Contract Standing Orders (CSO) every two years. Whilst the current review was overdue, this report proposed amendments to the financial thresholds for inviting quotes/tenders, revisions to delegations/approval routes and updated the CSO to reflect current legislation.

The Procurement and Contracts Manager considered it was an exciting time for procurement and the proposed changes would allow a leap forward and modernisation in the way the Authority undertook its procurement. Members agreed

and said there would certainly be much to do as the country recovered from the Covid-19 pandemic.

A Member asked about local procurement and the possibility of having some sort of 'Preston model'. This had created around 70,000 new jobs in Preston and if there was an opportunity to move towards more procurement of local goods and services, this would be a welcome boost to the local economy. The Leader said he agreed with the thrust of this point and advised that in his view the focus was on procuring in to the Borough with initiatives such as the Film Studios and Designer Outlet, which would in turn boost local job opportunities. The Procurement and Contracts Manager advised that the full CSO document did contain more specific reference to local procurement and the Social Value Act, so these were certainly on the Council's radar. The changes to thresholds would certainly assist with encouraging local procurement.

**Recommended:**

**That the new Contract Standing Orders be approved and adopted.**

\*Under the draft calculation the Conservative Group had been allocated 33 of their overall entitlement across all Committees of 34 seats. The Green Group had been allocated 4 seats when they were entitled to 3. There was therefore a need for the Green Group to gift one of their allocated seats to the Conservative Group. The Green Group have offered their seat on the Licensing and Health and Safety Committee.

**C.2 Allocation of seats on all ordinary Committees to achieve overall proportionality**

**Political Group entitlement in relation to all seats: 64**

**D. Committees etc. to which balance cannot apply or will not apply either as a direct result of joint arrangements or the Council agreeing, i.e. no member votes against this arrangement, on each occasion the Council adopts a revised political balance for the Authority.**

\* Council's choice as to whether balance will apply to this Committee. **This may only happen if no Member votes against this arrangement.**

x Due to the Joint Arrangements and the manner in which seats are allocated by the Kent County Council, it is impossible to have an overall balanced allocation of seats.

Committee	Con	AI	Lab	Green	Total
*1 x 15 Appeals	8	4	2	1	15
*1 x 7 Joint Transportation	4	2	1	0	7
** 1 x 8 Standards	5	2	1	0	8

\* The requirements of the 'Political Balance' regulations be not applied to the membership of the Appeals and Licensing and Health and Safety Panels of 3 Members which are drawn for each meeting.

\*\* Standards – broadly politically balanced as part of membership based on posts.
