

al neighbours and residents.

Whilst the venue will be a great utility for people and provide some employment, please consider the closeness of local houses when making a decision regarding timings of licences for music and alcohol.

With thanks  
Yours faithfully

Re: Licence Application for  
Boys Hall, Boys Hall Road.

Dear Sirs,

We are concerned regarding the licensing application for a Premises license for Boys Hall.

It was tolerable as a wedding venue in previous years, the then owners were very considerate to its neighbours and it was usually only at intermittent weekends that events were held.

The requested whole week timings for live music/recorded music and availability of alcohol when there will be much more outside activity because of the outside bar/refreshment area and occupied accommodation pods could be detrimental to noise/nuisance and parking issues for
