Good Morning Trevor,

Thank you for your email clarifying the details of the Cod Father application. It is understood now that the application does not include a later opening time for the premises past 23:00 hours. I note that the committee report will include the following:

3. It should be noted that the application did not seek to apply any hours for the premises to be open to the public. Accordingly, a licence (where granted) would limit the operator to providing a delivery only service with no customer collection, without the shop being open to the public and in turn no counter-service.

Given the premises will only be operating a delivery service, and will have no public areas into the licensable hours, Kent Police wish to withdraw our representations.

Kind Regards

Alistair.
