Report Title: Review of Parliamentary Polling Districts and Places 2019

Introduction and Background

1. It is the duty of the council of each district or London Borough to divide their area into polling districts for the purpose of UK parliamentary elections for so much of any constituency as is situated in their area and to keep those districts under review.
2. Section 18C of the Representation of the People Act 1983 requires every local authority to conduct a full review of parliamentary polling districts and places every five years. The current review must be completed by 31st January 2020.

Proposal/Current Position

3. An interim review of polling districts and places was undertaken in 2018 to reflect the changes to ward and parish boundaries that came into force in advance of the 2019 borough and parish elections.
4. The Selection & Constitutional Review Committee adopted the current scheme of polling districts and polling places in October 2018
5. The current polling districts and places were in place for the borough and parish elections on 2 May 2019 and the European Parliamentary elections on 23rd May 2019.
6. The report proposes only one change to the current arrangements.
7. The proposed change is to relocate the polling station for polling district AE2 – South Willesborough, in Aylesford & East Stour Ward, from its current location at the Salvation Army Hall, 115 Cudworth Road TN24 0BE to the Swan Community Centre, Turner Close TN24 0BE.

8. Cllr David Smith (Aylesford & East Stour) proposed the change of venue. Cllr Smith suggested that the lack of adequate parking at the Salvation Army Hall resulted in congestion for electors and inconvenience for residents on polling day. He also suggested that having both stations at the Swan Centre would make better use of a good community resource.
9. In the polling districts listed in the table below, it has not been possible to find a suitable location for a polling station within the polling district or ward. The Selection and Constitution Committee are requested to designate each ward as the polling place and to designate the following polling places located outside of the ward as polling places for the polling districts listed:

Polling District	Ward	Designated Polling Place
AE3-Aylesford Green	Aylesford & East Stour	The Scout Hut, Breadlands Road
BY2 - The Ridge	Bybrook	Spearpoint Pavilion, The Ridge
CL1 - Little Burton Farm	Conningbrook and Little Burton Farm	Conningbrook Hotel, Canterbury Road
DW2 - Eastwell (Part) The Towers	Downs West	Goat Lees Community Hall, Trinity Road
DW4 - Boughton Aluph (Part) The Towers	Downs West	Goat Lees Community Hall, Trinity Road
GL2 - Kennington North	Goat Lees	United Reformed Methodist Church, Faversham Road,
GL2X Grosvenor Road	Goat Lees	United Reformed Methodist Church, Faversham Road,
PFN1 - Park Farm North	Park Farm North	Kingsnorth Recreation Centre, Field View
RTW1-Tenterden West	Rolvenden & Tenterden West	St Mildred`s Church Hall, Church Road
ROM1 - Westhawk	Roman	Mobile Polling Station, Millbank Road, Adjacent To Augustus Walk
ROM2 - The Limes	Roman	Mobile Polling Station, Millbank Road, Adjacent To Augustus Walk
SGW1 - Singleton West	Singleton West	Singleton Village Hall, Hoxton Close
WA1 - Singleton South	Washford	Singleton Village Hall, Hoxton Close

Consultation Planned or Undertaken

10. A public consultation on the interim review of polling districts and polling places was held from Monday 1st July 2019 to Monday 2nd September 2019. Notice of the review and details of the proposed polling districts and polling stations were made available to all Members and were published on the Ashford Borough Council website at: <https://www.ashford.gov.uk/councillors-meetings-and-elections/elections-and-electoral-registration/polling-districts-and-polling-places-review-2019/>
11. Responses to and acknowledgements of receipt of the consultation documents are attached as Appendix 2.

Reasons for Supporting Option Recommended

12. The Selection & Constitutional Review Committee adopted the current scheme of polling districts and polling places as recently as October 2018
13. The current polling districts and places worked for the borough and parish elections on 2 May 2019 and the European Parliamentary elections on 23rd May 2019.
14. The number of venues available for use as polling stations is limited and the proposed arrangements make the best use of the available resources.
15. Any changes to polling district boundaries made after publication of the revised electoral register on 1st December 2019 would necessitate the republication of the electoral register in advance of a UK parliamentary election.

Next Steps in Process

16. Council to consider the recommendations of the Selection & Constitutional Review Committee on 17th October 2019.
17. Revised Electoral Register published on 1st December 2019.

Conclusion

18. The polling station scheme set out in Appendix 1 of the report including any amendments recommended by the Selection & Constitutional Review Committee should be in place to allow for the publication of the revised electoral register on 1st December 2019

Portfolio Holder's Views

19. To be given at the meeting.
